We have four locations:

1) Royal Victoria College offers accommodations in a traditional residence. Most of the rooms are singles (one person per room). They share washroom and kitchen facilities with the other rooms on the floor. Included in the rooms are: linen, soap and towels. The rooms themselves are not air-conditioned; however, our front office rents out fans, kettles and irons. We do have a small number of double rooms available (these too share washrooms with the other rooms on the floor). There are no telephones provided in the rooms; however there are payphones located in the lobby, and on some floors. There are computers with free access to internet in the study room located on the main floor (WI-FI also available for laptop computers). On site pay parking is available at the rate of approximately \$17 per day, but very limited.

2) The New Residence Hall (former Renaissance Hotel) offers accommodation in single and double rooms, as well as suites. Each guestroom is equipped with a private washroom, air-conditioning, cable television, standard amenities, free-local calls and free high-speed internet access. Housekeeping service is provided daily. Underground parking is available at the rate of approximately \$25 per day.

3) Carrefour Sherbrooke offers accommodations in single and double rooms. Each guestroom is equipped with a private washroom, air-conditioning, cable television, standard amenities, free-local calls and free high-speed internet access. There are laundry and fitness rooms on site and housekeeping service is provided daily.

4) La Citadelle is the newest addition to the McGill Residences; it offers accommodations in single and double rooms. Each guestroom is equipped with a private washroom, air-conditioning, cable television, free local calls and free high speed internet access available. There are laundry and fitness rooms on site and housekeeping service is provided daily.
