

MMM GROUP

MMM GEOMATICS LIMITED

MMM Geomatics Limited is a successful, recognized and growing Geomatics firm that provides surveying, imaging, GIS and mapping services to the construction, municipal, and oil field industries and the public sector throughout Canada.

Be Challenged. Be Known. Be Among Friends.

We invite you to attend our open information sessions on Tuesday October 20, 2009:

- » UNB, Dept. of Geodesy & Geomatics Engineering, 10:30 am.
- » Lord Beaverbrook Hotel 6:30 pm.
Open reception at the Beaverbrook Hotel at 6:30 pm. All interested persons invited.

We welcome Geomatic Engineers and Technologists to bring their resumes to the above sessions, or submit them in advance to battistellab@mmm.ca and pre-schedule interview times. Interested parties can also view our website at
