## Geomatics Career Opportunities with McElhanney

### *Information Session*

October 19 | 5:30 – 6:30 | Room E4

Come meet us and learn about where your surveying career can go with McElhanney Consulting Services Ltd.

We will be talking to students about careers in surveying as well as opportunities for summer students and new grads. Don't forget to bring your resume — we will be scheduling interviews for the following two days!

*Pizza and refreshments will be provided.*

### Presenters

Sam Arsenault, Land Surveyor in Training (LST) / Engineer in Training (EIT)

Kelsey Van Sickle, Recruitment Coordinator

Layna Dove, HR Generalist

### Interviews

October 20 & 21 | 8:30 a.m. – 6:00 p.m. | Room E52

If you cannot sign up in person, please email your resume to Kelsey to arrange a time to meet.
